RE: Division directive to reclaim, JG Resources LLC, Etna mine, S/021/0009 Iron County, Utah

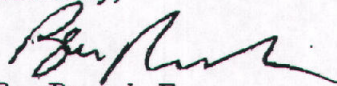

Dear Mr. Baker,

We are in receipt of your letter dated September 24, 2013, wherein you generously extended the deadline to reclaim the Etna mine to October 16th, 2013, per our request. My client has decided he wants to request release of the surety and as such, I have enclosed the Application for Site and/or Bond Release, with its accompanying map.

My client has asked that the reclamation surety, with interest, be released to himself (specifically Jerry Glazier, not JG Resources) and transferred into Zions Bank Account No. 0353074776.

Thank you for your assistance in this matter. Let me know if you have any questions or need additional information.

Sincerely,

Ben Ruesch, Esq.
